

## New 2011 Temporary Operating Permit Sticker

### New Information

The 2011 temporary operating permit (TOP) sticker has been redesigned. The month will no longer be displayed; it will be replaced with an **annual** sticker. The attached sample indicates “Q Sample” where the actual accountable inventory sticker number will appear (1 alpha, 7 numerics).

### Background

To reduce costs, the TOP sticker was redesigned to contain only the year of expiration and allow inventory to be used from month to month.

### Distribution

Notification that this memo is available online, at [www.dmv.ca.gov](http://www.dmv.ca.gov) under Publications was made via California DMVs Automated E-mail Alert in October 2010.
